

MasterCare

Bathing Solutions

MasterCare Shampoo is also a low foaming body wash ideal when using your MasterCare BathAire bathing system.

MasterCare Bath Additive contains the skin conditioner, lanolin!!! Also is a de-foamer!

MasterCare Disinfectant is a one step, versatile broad spectrum Stepan formula disinfectant-cleaner. Effective against a variety of bacteria, fungi and viruses including MRSA, Hepatitis, HIV and H1N1. Can be used, not only on your MasterCare tub, but in other areas of your facility!

And introducing our NEW CSI Disinfectant spray—a TB effective disinfectant in a ready-to-use 32 ounce spray bottle!!!
